

## Phase 3 JOURNEYMAN | A New Confidence

### RE-ESTABLISHED

*“Blessed is the man who trusts in the Lord and whose trust is the Lord.”*

*Jeremiah 17:7*

### OVERVIEW

#### THE OBJECTIVES

- Students will begin taking on staff responsibilities, maintaining all that has come before.
- Students will begin to exercise leadership skills on a new level. Leading is about serving not about being in charge. ***To be a good leader one must first be a good follower. Leading is following at a higher level.***
- Students will continue to explore their past to uncover core issues. ***Sanctification is a lifelong process.***
- Students will continue to evaluate their values and perceptions of life. *“As a man thinks, so is he” Prov 23:7*
- Students will begin to consider others more important than himself, bearing each other’s burdens.
- Students will continue to be transformed by the renewing of their mind. As God reveals His truth, the corresponding lie will fall away.

#### THE STRUCTURE

**Journeyman is a time to walk with a new confidence, trusting in God to direct our path.**

***“And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose”***  
*Romans 8:28*

**Curriculum is by the individual’s new life.**
